According to the conversation above, who can DEFINITELY attend Kevin's party?

- A) Gwen B) Alex C) Emily D) Michael

9. Maria asked Tanya about her holiday, and Tanya replied to her question with the e-mail below.

New message

To: Maria

Subject: My Holiday in Italy

Hello Maria,

I was in Italy for a week on my holiday.

First, I went to Rome. In Rome, I visited the Colosseum and the Trevi Fountain. They were fascinating historic sites. Then I ate pizza and pasta at a cute restaurant. The food was delicious!

My next destination was Venice because I wanted to join the Venice Carnival. I learned a folk dance called tarantella at the carnival. I also took a boat tour to see the famous canals. It was a fantastic week.

I'd like to go there again. Why don't we do it together next time?

Best wishes,

Tanya

Which of the following does NOT have an answer in the e-mail above?

- A) Why did Tanya go to Venice?
- B) What did Tanya eat in Rome?
- C) How did Tanya travel to Italy?
- D) How long did Tanya stay in Italy?

10. You are a sales assistant in a technology store. You listen to customers' needs and recommend a suitable device to each of them.

I am fond of cinema. I want to stay at home and watch films on a huge screen all day long.

I love watching films and videos. I watch videos at home, on the bus, in the park, everywhere. My device must be easy to carry and have a bigger screen than a smartphone.

I need to take and share photos on my social media accounts using the same device. It must be small enough to carry in my pocket.

According to the information above, which of the following recommendations does NOT match with any of the customers' needs?

- A) You definitely need to buy a tablet. You can easily take a tablet anywhere.
- B) You need a smartphone to take photos and use social media apps to post them.
- C) You need to buy a smart TV. They usually have big screens and video applications.
- D) If you want to take photographs and record videos, you need to buy a digital camera.
